Dear Ms. Kitchen:

With reference to the above, please be advised that the Committee's memo schedules disclosing attributable contributions from joint fundraising committees were included each month on our regularly scheduled reports. For example, \$30,000 was received on 12/21/99 from Massachusetts Victory Fund and reported on Line 12. However, the memo schedules showing contributor information from this joint fundraiser were reported based upon the date received and thus appeared on Committee reports for the periods of June 1 through June 30, 1999 and August 1 through August 31, 1999. As another example, Michigan 2000 transferred \$15,000 to the Committee on 12/22/99 and the memo schedules disclosing attributable contributions from this joint fundraising committee were reported based upon date of receipt and thus appeared on reports for the periods of October 1 through October 31, 1999; November 1 through November 30, 1999 and December 1 through December 31, 1999. If you review 1999 reports for the Committee you will see that joint fundraising memo schedules correctly reported all gross contributions.

Enclosed please find our amended year end report and our February monthly report clarifying "Consulting/Profess. Service". Also, the amended year end report now has line 23 with state and office sought information for all candidate contributions.
